

# Towels, T-Shirts & Socks Do Not Provide The Protection You Need! Our Products Do!

 **THE TANNIE®**

Did you know that the shine and resiliency of your hair and color can be compromised by tanning. The Tannie protects the hair color from fading and changing. *It protects the investment you have in your hair!*

Always wear eye protection!

 **Tanfacia®**

Tanfacia, the ultimate in comfort, it works! Tanfacia can be worn while lying or standing in a booth. Because of its unique design it will stay in place. Turning off the facial lamps will not provide the protection they need. *Always wear eye protection!*

 **THE MANLY®**

Created just for the male tanner. Although you do not tan in the genital area, you need to caution against burning. It is comfortable and stays in place. One size fits most. *Always wear eye protection!*

All of our products are Breathable ● Washable ● Reusable
